This drawing provides a GENERAL REPRESENTATION of the vehicle configuration and should be used for evaluation purposes. The respective dimensions shown, including overall height and length, are estimates and may vary due to manufacturing processes. All other items such as lighting and fixtures, plumbing, compartmentation, and other generally assembled details are shown for REFERENCE ONLY and may not be a direct reflection of the final truck configuration. In ALL situations where this drawing may conflict with the specifications, THE SPECIFICATIONS, AS REFLECTED IN THE APPROVED SHOP ORDER, SHALL PREVAIL. Unless otherwise specified, the proposed apparatus will be manufactured to the latest NFPA recommendations as well as other applicable federally regulated safety regulations. E-One reserves the right to engineer and incorporate design improvements and changes without notice, while adhering to the intent of the specification.
